

## **Inclusive assemblies**

### **Collective worship and promoting SMSC development**

**Tuesday 19<sup>th</sup> November 2019**

**1.00 – 4.00 pm**

**Savile Park at Heath Primary School, Free School Lane, Halifax, HX1 2PS**

#### **Aims and content**

This half day course will help schools plan assemblies that promote SMSC development and British fundamental values, as well as meeting statutory requirements. It will provide practical guidance and ideas on how to plan engaging and relevant assemblies that include reflection and spiritual development for pupils of all faiths and none.

#### **What you get**

The course is especially designed for senior leaders or others with responsibility for delivering an assembly programme. It will provide ideas and resources for creating a programme of engaging and inclusive assemblies. The programme will include: statutory requirements with practical and realistic suggestions for implementation; strategies and examples of how assemblies and class reflection can enhance SMSC development; guidance on affirming and including students from all faith and world views. Delegates will receive a full range of resources to take away.
