Wednesday 11th November, 2020

This **online** event is organised by Kirklees Cohesion Team, in association with the 'Schools Welcome!' education project. It offers primary school pupils (Years 2, 3 and 4) an opportunity to learn about the faiths in our local community during Interfaith Week.

The event will include:

- Learning about faiths from local faith leaders (short films)
- An online question and answer session
- A short act of remembrance for Remembrance Day
- Creative activities and follow-up ideas to do in school
- 'Petals of Peace' virtual interfaith project

Online links and resources will be sent to participating schools in advance of the day.
