Believing and Belonging

Classroom PLUS

For the first time we are producing a **full set of resources** to support every lesson from Key Stages 1-3 in the Believing and Belonging RE syllabus.

These resources are **tailored to this syllabus** and not a general one-size-fits-all. They last five years and cost little more than a day's supply.

PowerPoint presentations to cover each lesson, with recap, guidance and quizzes.
Knowledge Organiser for every unit.
Guidance on delivering the lessons.
Termly planning support webinar.
